

**SPEAKER, COACH &
LICENSED THERAPIST**

KEY TOPICS

Sue Riekels is a dynamic speaker who empowers leaders, organizations and individuals to harness the power of their neurology for peak performance. With over 20 years of corporate experience and 10 years as a licensed therapist, Sue brings a unique blend of psychological expertise and real-world insights to her presentations. Sue's engaging session explores how the brain and nervous system influence all aspects of our lives and how to utilize it fully. Attendees will learn practical strategies to enhance specific areas like communication, trust, relationship building, and navigating conflict.

- ✓ Awaken to What is Possible
- ✓ Unlocking Peak Performance
- ✓ Effective Communication
- ✓ Stepping Into Your Wisest Self
